

Date: 29th & 30th April 2019

NSW Department of Education Scholarships

Selection criteria – conditions.

Applicants:

1. Must work in a NSW Department of Education school, in a regional, rural or remote region.
2. MUST have approval to apply and attend from their Principals prior to applying.
3. Be currently involved in STEM Programs/Projects.
4. Have STEM professional learning featured in their PDP.
5. Have the capacity to formally share their professional learning in their school and networks following participation in the conference.

Conference organisation team:

1. Will award up to 50 conference scholarships (value \$1300).
2. Will award one scholarship per school only.
3. Will aim to spread the scholarships across the state as equitability as possible.
4. Decisions will be final.

Regards,

The Conference Organisation Team.
